What we do for your operation.

Integral solutions for industry, commerce and the corporate sector, tailored to each client.

01

Professional cleaning

Deep, general cleaning for homes, offices, lots and machinery.

- Home and office cleaning
- Soil, debris and waste removal
- Deep washing of vehicles, yards and machinery
- Parking-lot painting: signage and demarcation

02

General maintenance

Preventive and corrective maintenance for your facilities.

- Preventive and corrective maintenance
- Repairs and adjustments
- Plumbing, ironwork, welding and carpentry
- Fast, effective solutions

03

Industrial painting

High-durability coatings for fences and metal structures.

- Surface prep and anti-corrosion primer
- High-durability enamels and coatings
- Greater resistance to corrosion, weather and heavy use
- Ideal for maquiladoras, industrial buildings and fences

04

Electrical connections

Residential and industrial electrical installation and maintenance.

- Residential and industrial electrical installations
- Maintenance and repair of electrical panels
- Panels, outlets, lighting and more
- Guaranteed safety and efficiency

05

Transport and hauling

Transport of materials, furniture and machinery with local and long-distance freight.

- Transport of materials, furniture and machinery
- Local and out-of-town freight
- Safe loading and unloading
- Punctuality and commitment on every delivery

06

Ironwork and welding

Fabrication and repair of metal structures, fences, gates and railings.

- Metal structures
- Fences, gates and railings
- Fabrication and repair
- Durable, quality work

07

PPE supply

High-quality personal protective equipment for your team.

- Safety glasses and eye protection
- Cut-resistant and work gloves
- Respiratory and hearing protection
- Industrial absorbents and consumables

Before and after.

Real results on the plant floor, documented on every project.
